

Figma Link to Designs and User Flow: Figma

Potential Intro Page:

The screenshot shows the Evalio welcome page. At the top, there's a navigation bar with the Evalio logo, a 'Dashboard' button, and an 'Explore Scenarios' button. Below the header, the main title 'Welcome to Evalio' is displayed, followed by a subtitle 'Your calm, transparent companion for academic planning'. A sub-subtitle 'Understand your grades, explore possibilities, and plan your path forward, without the stress.' is present. The central feature is a large rounded rectangle containing six circular icons, each with a label and a brief description. Below this is another row of three circular icons with descriptions. At the bottom of the main content area is a large blue 'Get Started' button. A small note at the bottom right says 'Takes about 5 minutes to set up'.

Plan your academic success with confidence

Welcome to Evalio

Your calm, transparent companion for academic planning

Understand your grades, explore possibilities, and plan your path forward, without the stress.

How it works

Icon	Label	Description
Upload	Upload	Share your course syllabus
Structure	Structure	Define your grade breakdown
Grades	Grades	Enter your current scores
Goals	Goals	Set your target grade
Plan	Plan	Map out what is needed
Dashboard	Dashboard	See your complete picture

Transparent Calculations
See exactly how grades are calculated and what they mean

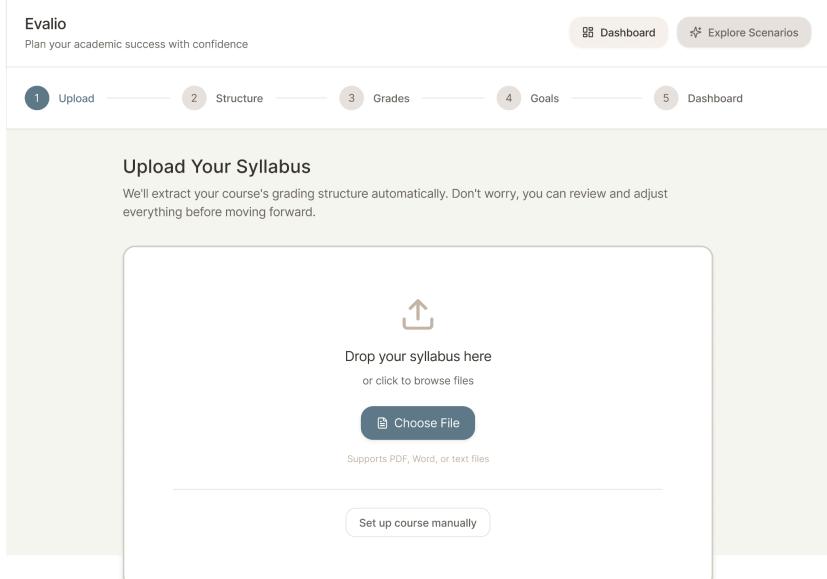

Safe Exploration
Test different scenarios without fear or permanent changes

Reduced Anxiety
Focus on understanding and planning, not panic

Takes about 5 minutes to set up

Upload Page:

The screenshot shows the 'Upload Your Syllabus' page. At the top, there's a navigation bar with the Evalio logo, a 'Dashboard' button, and an 'Explore Scenarios' button. Below the header, a horizontal progress bar shows steps 1 through 5: 'Upload', 'Structure', 'Grades', 'Goals', and 'Dashboard'. Step 1 is highlighted with a blue circle. The main content area has a title 'Upload Your Syllabus' and a subtitle 'We'll extract your course's grading structure automatically. Don't worry, you can review and adjust everything before moving forward.' Below this is a large input field with an upward arrow icon, labeled 'Drop your syllabus here' and 'or click to browse files'. A 'Choose File' button is located below the input field. A note at the bottom says 'Supports PDF, Word, or text files'. At the very bottom of the page is a link 'Set up course manually'.

Your Academic Dashboard

Here's how everything fits together: your grades, goals, and path forward.

Current Standing

Current Grade **0.0%**
Based on graded work only

Work Completed **0%**
100% still to go

Required Average **85.0%**
To reach your target

Target: 85%

Understanding what it takes to get there

Progress toward target **0%**

Current: 0.0% Target: 85%

Your target is possible but will require strong performance. This target is achievable but will require strong performance ahead.

Performance Assumption

Adjust the slider to see how different performance levels affect your projected grade.

75%
Assumed performance on remaining assessments

Projected Final Grade **75.0%**
Below Target

With 75% average, you'll be 10.0% short of your 85% target.

Assessment Breakdown

What's Required on Remaining Assessments

To reach your 85% target, each remaining assessment needs an average of 85.0%. This assumes similar performance across all upcoming work.

Difficulty Level
Challenging 85.0%

Midterm Exam
30% of final grade

Minimum needed **85.0%**
Would contribute +25.5% to final

Final Exam
40% of final grade

Minimum needed **85.0%**
Would contribute +34.0% to final

Assignments
20% of final grade

Minimum needed **85.0%**
Would contribute +17.0% to final

Participation
10% of final grade

Minimum needed **85.0%**
Would contribute +8.5% to final
